MANUFACTURERS'
COUPONS**

With

Double Manufacturer's Coupons Policy:

Customers with a GIANT BONUSCARD will receive double the value of manufacturer's coupons. (See specific store for details regarding double coupon policy redemption values.) The double coupon policy does not apply to customers without a GIANT BONUSCARD, free coupons, manufacturer coupons that state "Do Not Double," in-store coupons, or other retailers' in-store coupons. The total value of the double coupon may not exceed the price of the item. We reserve the right to limit one (1) double coupon per same coupon per day, per customer.

Internet Coupons Policy:

Customers with a GIANT BONUSCARD may redeem coupons that have been printed from the internet. We do not accept internet coupons for free products, or those with a value greater than \$5.00. We reserve the right to refuse any internet coupon that appears to be fraudulent.

All coupon redemptions are subject to the discretion of the store manager.
